

Visitation - LeTip of Lower Bucks County

Visitation is a monthly, mandatory event. It allows us to get to know one another better and allow tips to flow more easily.

A visitation should last at least 30 minutes, and take place at the visatee's place of business.

Each member will give the 30 second commercial of the person they visited. If you do not make your visit then you are to pay \$10.00 to "The Bucket" (One Time). The treasurer will then pay the member that was not visited. If the member that is scheduled to visit you does not call to make an appointment, you should make an effort contact them. You may only give your own commercial if you made an effort to be visited and were not, or if the person who visited you is not at the meeting.

Visitation List for November 30th, 2011
